

Institute for Regional and International Studies
UNIVERSITY OF WISCONSIN-MADISON

CHECKLIST FOR A COMPLETE APPLICATION
Fulbright U.S. Student Program 2018-2019

I. By 4:00pm CT, Wednesday, September 6, 2017 Attachment B (interview schedule) is due. You must fully complete the form. This can be sent via email to awards@iris.wisc.edu (save the grid, do not just send times/days) or printed and given to me in hard copy. You will be informed by email of the date/time of your campus interview.

II. By 11:59am CT, Monday, September 11, 2017 all applicants must submit:

1. THE ELECTRONIC APPLICATION - click "submit". This will consist of:

- Pages 1-5 of the online application
- Statement of grant purpose
- Personal statement
- * **Form 7** (if submitting Form 8, Language Evaluation); **Form 7B only if applying for** Critical Language Enhancement Award
- * **Form 8** Foreign Language Evaluation (*if not required, but you speak a relevant language, have your skills evaluated and the form submitted*)
- * **Form 9A** References - from three people. **ETA applicants use * Form 9B**
- Transcripts:** You must upload a transcript for each institution of post-secondary education attended; for UW you can use the student record form
- Letters of affiliation** (where appropriate) with institutions or individuals in the country of research should be included. These must be translated into English where necessary. You must upload these letters electronically to your application. These can come in later (after the campus deadline).

2. ATTACHMENT A: signed/dated student authorization for UW to release applications to Institute of International Education. This can be sent via email to awards@iris.wisc.edu.

Forms marked with an * above are submitted electronically by the person completing the reference/evaluation. Though these can be submitted after the campus deadline, late letters could negatively affect your application since the campus review committee will not have access to them when writing up the campus evaluation.

By the Friday after the campus deadline, everyone will have access to their e-application again, in case revisions need to be made or transcripts/affiliation letters added.

III. By 5:00pm ET, Friday, October 6, 2017 the final version of your application must be submitted **electronically**.
