

To all potential Fulbright U.S. Student Program 2024-25 applicants (applying thru UW-Madison)

All applicants must use the online application system, which is available through the Fulbright website: <https://us.fulbrightonline.org/>. Click on the “Applicants” tab at the top of the page for instructions, additional guidance, and to initiate an application.

Enrolled UW-Madison students are expected to apply for a Fulbright U.S. Student Program award through the UW-Madison by selecting UW-Madison as their institution in the online application.

Alumni who are not in a graduate program at another institution are invited and strongly encouraged apply through the UW-Madison by designating the UW-Madison as your institution in the application. We are here to support **all** current students & alumni throughout the entire application process!

The Institute of International Education (which manages the Fulbright U.S. Student Program) uses an online application system. All documents that make up the application – including letters of affiliation and recommendation, language evaluations, and transcripts – **MUST be submitted online and by the campus deadline: 10:00am CDT, Thursday, September 14, 2023.**

Read the **Campus Instructions** for more information about the campus review process. The campus-side of the review process is about helping applicants submit the strongest, most competitive applications possible; we do not limit or eliminate applications at any point!

The only material you will submit directly to the UW-Madison Fulbright Coordinator (via email to uwfulbright@wisc.edu) are Attachments A & B. The deadline to submit these is 10:00am CDT, Monday, September 11, 2023.

If you do not submit Attachments A & B by 10:00am CDT, Monday, September 11, 2023 and an application by the campus deadline, it is possible that no campus review will take place. We can accept applications after the campus deadline in some instances, but you should contact the UW-Madison Fulbright Coordinator to discuss.

Read all instructions on the Fulbright U.S. Student program website, <https://us.fulbrightonline.org/> and the campus instructions: <https://go.wisc.edu/FUSP>. You are responsible for submitting a complete and correct application. Contact Mark Lilleleht, UW-Madison’s Fulbright Coordinator, with any questions: uwfulbright@wisc.edu & 608.265.6070.

The October 10, 2023, 4:00pm CDT deadline is the final (national) submission deadline. If you are applying for a Fulbright U.S. Student Program award through the UW-Madison, the first deadline for submission of your application is the campus deadline.
